

SKIB Marine Surveys

COMPANY PROFILE

Greeting from Skib Marine

The company '**SKIB MARINE SURVEYS**' is an **ISO 9001:2015** accredited independent Marine Surveys, Inspections, and Consultancy Service provider based in the United Arab Emirates (UAE) established in the year 2016 with great care and clear focus by young and dynamic Marine professionals.

SKIB MARINES' greatest strength is the quality of its staff – we can offer a comprehensive range of marine surveying and consultancy services through our team of consultant surveyors (Master Mariners and Marine Engineers) assisted by our in-house support team.

"We are passionate about our profession, loyal with our clients while focused on quality and thus confident in our future"

As a values-driven organization, we trust that we will be successful if our clients are successful.

**Over 25 years of experience
we'll ensure you get the best guidance.**
